2020 has been a challenge for many of us. Adapting the business during the pandemic has been a bit like the “Friends” episode with Ross moving his sofa up the stairs and yelling PIVOT!

Before COVID, our Fit Stylists were trained to do in-person fittings. They revelled in the one-on-one service, and their customers appreciated the personalized experience. After 17 years in business, we needed to make a significant change, and fast!

As consumers continue to remain at home due to the coronavirus pandemic, retailers are moving their stores online as it’s clear customers still feel more comfortable shopping remotely. We learned that we could continue to offer our top-notch service with some changes safely on a video call—what an incredible game-changer for our field.

Being forced to look at our business a new way has breathed new life into it! Our Fit Stylist's can now confidently fit and serve more women than ever before—no longer limited to their geographic area!

During this time, I have been reflecting and discovering what this business means to many other women and me. I’m using this momentum to build some big plans for our future together!

To those who are saying, “I can’t wait for it to return to normal,” I have been saying, “Don’t wait for life to go back to normal. Come back better.”

Carrie Charlick, CEO
To date we’ve donated over 21,000 bras & feminine hygiene products. With your help we can reach our goal and help change the lives of the women who need it most!

Help us donate 150,000 bras!

We’ve paired up with I Support the Girls, an organization that works to provide women and girls in need with necessities like bras and feminine hygiene products.

Whether they be homeless, refugees, in transitional housing, or fleeing domestic violence, women and girls should never have to compromise on dignity.

- DANA MARLOWE
FOUNDER OF I SUPPORT THE GIRLS

How you can help!

Invite your friends to donate their gently used bras and new, individually wrapped hygiene products. By doing so you’ll help provide much needed necessities! Guests can bring them along to your party and we’ll make sure they get to where they are most needed.
